

Temporary Staff – Sourcing & Payroll Solution

A trusted service supporting you in sourcing temporary staff to meet your immediate business needs while providing you with a fully outsourced payroll solution ensuring your employees are paid on time every time.

Benefits to your Organisation

- **Management of Employee Costs** - flexibility to increase or decrease your workforce numbers to meet your immediate business requirement with no long-term staffing commitment or increase to fixed costs
- **No increase to permanent headcount** – We take on board and manage everything to do with temporary staff – employee contracts, timesheets, payroll processing, all Revenue requirements and employee queries
- **Cashflow Management** – A single monthly invoice from Harmonics
- **A quick solution to a short-term need** - With a typically reduced time to hire, it enables your organisation to meet short-term staffing needs quickly
- **New perspectives and skills** – Temporary staff can bring valuable skills and insights to enhance your entire processes and systems

Why use Harmonics to source & payroll temporary staff?

- **A 'one-stop shop'** – providing you with a fully outsourced solution, managing all aspects of the recruitment, employment and payrolling of temporary staff.
A customised schedule of rates to meet your specific needs with regard to sourcing and payroll management
- **Proven track record** – in sourcing, hire and payrolling of staff for start-ups, multinationals and SME's
- **Premium customer experience** – Our highly experienced recruitment specialists work closely with you to truly understand your needs providing you with candidates that 'hit the mark' every time
- **Personalised employee experience** – Our dedicated in-house team have a well-earned reputation for being pro-active, understanding and responsive in all interactions with temporary staff, from initial onboarding to ongoing management of employee queries
